Subject: NYPD Comstat meeting

Johnny, Dave –

As you know, one of Ray Kelly's key recommendations was that MPD should improve the effectiveness of its weekly command staff/"Trac" meetings by closer mirroring NYPD Comstat meetings. I think you also know that Deputy Chief Don Crowe has been put in charge of making this happen. Bill Gibbons, Ben and I think it would be a good idea for Crowe and Gibbons to attend an actual NYPD meeting and talk with their senior leadership about it. So they're planning a trip sometime in the next 30-90 days. (sooner is better!)

Would either of you be willing to cover the costs of the trip? I can't imagine it would cost very much – airfare and hotel rooms for a couple of nights. One or both of you might also like to join them, which would be fantastic! I'm going to also try to make the trip if the timing works.

Let me know!

Blair
